## **2**

### **Legitimacy and presence of a quorum**

In accordance with the UEF University Regulations, meeting notices of a multi-member administrative body must be sent at least seven days prior to the meeting, unless the administrative body has decided otherwise.

The meeting notice was sent on 14 August 2025.

According to the UEF University Regulations, multi-member administrative bodies of the university have a quorum when at least half of the members, including the chair, are present. By the decision of the chair, a multi-member administrative body can hold its meeting by email or, either fully or in part, via a video conference, telephone, or some other remote participation means. The chair has decided that the meeting be organised as a hybrid meeting (CA3036 + Teams).

**Motion**      The meeting is deemed lawful and quorate. The agenda is approved.

### **Establishment of the Bachelor's Degree Programme in Human and Planetary Health, a Bachelor of Health Sciences degree programme taught in English, and approval of the main subject of the programme and student admission criteria for 2026**

According to section 9 of the University Regulations of the University of Eastern Finland, the Faculty Council will decide, within the scope of the faculty's educational responsibility, on the launch of a new major subject and shutting down of an existing one. The Faculty Council will also make decisions concerning student admission criteria.

The Faculty of Health Sciences has prepared the Bachelor's Degree Programme in Human and Planetary Health, a Bachelor of Health Sciences degree programme taught in English. The proposed main subject of the programme is Human and Planetary Health. The programme will start in autumn 2026.

A description, learning outcomes and key themes of the programme are enclosed with the agenda item as annexes. The curriculum for the Bachelor's programme will be confirmed by the Faculty Council in February 2026.

## Agenda

Faculty Council of the Faculty of Health Sciences

Meeting No 7/2025

Meeting date 21 August 2025

12 (45)

The Faculty has prepared a proposal for the admission criteria for the Bachelor's Degree Programme in Human and Planetary Health, Kuopio, Bachelor of Health Sciences (3 years) for 2026 (enclosed with the agenda item as an annex). The programme has a total of 30 study places.

## Motion

1. The Faculty Council will confirm the establishment of the Bachelor's Degree Programme in Human and Planetary Health, a Bachelor of Health Sciences degree programme taught in English, at the faculty as from 1 August 2026.
2. The Faculty Council confirms the name of the main subject of the programme to be Human and Planetary Health.
3. The Faculty Council approves the admission criteria for the Bachelor's Degree Programme in Human and Planetary Health, Kuopio, Bachelor of Health Sciences (3 years) for 2026 as proposed and authorises the Dean to make technical changes to the admission criteria.

## **7**

### **Approval of the admission criteria and curriculum for the adult individual psychoanalytic psychotherapy**

According to section 9 of the University Regulations of the University of Eastern Finland, the Faculty Council will make decisions concerning curricula, degree requirements and student admission criteria.

Government Decree 1120/2010 amending the Decree on Health Professionals entered into force on 31 December 2011. Under section 2a of the Decree, the use of the protected title of a psychotherapist is subject to the condition that the person concerned has completed psychotherapist training organised by a university or by a university together with another training organisation. The skills required to work as a psychotherapist are acquired through studies whose scope must be 60 ECTS at the minimum and that consist of theoretical studies, supervised psychotherapist work with patients, educational psychotherapy and skills demonstration. Competence is proved through a skills demonstration. The university issues the student a certificate of the completion of the training.

The psychotherapist training organised by the Faculty of Health Sciences or the Philosophical Faculty of the University of Eastern Finland is professional development training for health professionals that leads to

## **Agenda**

Faculty Council of the Faculty of Health Sciences

Meeting No 7/2025

Meeting date 21 August 2025

14 (45)

the professional title of a health care psychotherapist in accordance with the Government Decree (VNA 1120/2010). The trainings are managed by the Centre for Continuous Learning of the University of Eastern Finland. In professional development training, students do not have the status of a degree student.

Ten (10) students (three (3) on a waiting list) will be admitted to the adult individual psychotherapist training that will start in spring 2026 in accordance with the enclosed admission criteria. The planned application period is 1 September – 8 January 2026. Selected students are granted a fixed term right to study in the training to which they have been selected.

The Academic Rector appointed a steering committee for psychotherapist training on 23 November 2023. The term of the Steering Committee is 4 years (2024-2027). The steering committee includes 3 full and deputy members from the Faculty of Health Sciences and 2 full and deputy members from the Philosophical Faculty. In addition, the steering committee includes 1 member and deputy member from the Centre for Continuous Learning. The steering committee for psychotherapist training has approved the curriculum. The person responsible for the training at the university is Laura Julkunen and the training will be implemented in cooperation with Itä-Suomen psykoterapiayhdistys with Minna Valkonen-Korhonen as the main trainer.

The scope of the adult individual psychoanalytic psychotherapy training is 85 ECTS. The duration of the training is four academic years (2026–2030).

## Agenda

### **The Dean's proposal to the Rector of the University of Eastern Finland on the appointment of DDSc Tuomas Saxlin to the post of Associate Professor of Parodontology and Oral Geriatrics (Tenure Track): Hearing of the Faculty Council**

According to section 10(9) of the University Regulations of the University of Eastern Finland, the Dean shall make proposals to the Rector on the persons to be appointed to professorships with a term of two years or over, to permanent teaching and research positions compliant with the four-stage research career model, and to Tenure Track positions after hearing the Faculty Council.

The post of Associate Professor of Parodontology and Oral Geriatrics (Tenure Track) that complies with the faculty's human resources plan is hosted by the Institute of Dentistry at the School of Medicine. An open call for applications was organised for the post and two (2) persons submitted an application by the deadline: DDSc Susanna Paju and DDSc Tuomas Saxlin.

A person to be appointed as an Associate Professor in the Tenure Track shall hold a suitable doctoral degree and have good teaching skills. Furthermore, a person to be appointed as an Associate Professor in the Tenure Track shall have the prerequisites for fulfilling the qualification

Meeting date 21 August 2025

18 (45)

requirements of a Professor by the end of the Tenure Track term (UEF University Regulations, section 31).

The Dean of the Faculty has invited Marja Laine (Vrije Universiteit Amsterdam), Rodrigo Lopez (University of Bergen) and Andreas Stavropoulos (Malmö University) as experts to provide a statement on the scientific qualification of the applicants to the post. In their joint statement, the experts find both applicants to be qualified for the post in question.

The matter was discussed by the Faculty Council on 10 June 2025, when DDSc Susanna Paju was proposed to the post for a fixed term of four years as from 1 August 2025 (or as agreed). However, Laukkanen informed that he is not available for the position and the matter was referred back to the Appointments Committee for further consideration.

Based on the application documents, interviews and expert statements, the Appointments Committee proposes that DDSc Tuomas Saxlin be appointed to the vacant post of Associate Professor of Parodontology and Oral Geriatrics as from 1 September 2025 for a fixed term of four years.

No trial lecture will be required.

The proposal of the Admissions Committee, expert statements and the application documents of the person proposed to be appointed to the position are enclosed with this agenda item as annexes.

## **Agenda**

### **A proposal on the person to be appointed as University Lecturer, Biomedicine: Hearing of the Faculty Council**

According to section 10(10) of the University Regulations of the University of Eastern Finland, the Dean shall, after hearing the Faculty Council, decide on persons to be appointed to permanent positions that comply with the four-stage career model (excluding professors, senior university lecturers and senior clinical lecturers).

A call for applications was organised at the Institute of Biomedicine of the University of Eastern Finland's School of Medicine for the post of University Lecturer in Biomedicine that will be effective until further notice.

Four (4) applicants applied for the post by the deadline: DSc (Pharmacy), docent Maria Hytti; PhD Sivakumar Joghi Thatha Gowder; PhD, Docent Saara Marttila; and PhD, Docent Sanna Oikari

Persons to be appointed as University Lecturers must hold a suitable doctoral degree and have good teaching skills (University Regulations).

Members of the university's teaching and research staff are required to have command of the language they give teaching in (Finnish or Swedish)

## Agenda

(Government Decree on Universities 770/2009). The Dean of the faculty can grant an exemption from the language proficiency requirements laid down in the Government Decree on Universities (UEF University Regulations).

The Appointments Committee states (Annex) that three of the applicants meet the requirements laid down for the post. The applicant that best meets the criteria set out in the call for applications is Sanna Oikari.

The Appointments Committee proposes that PhD Sanna Oikari be appointed to the post of University Lecturer (Biomedicine) from 1 September 2025 onwards until further notice.

Sanna Oikari received a PhD (molecular medicine) in 2008 from the University of Kuopio. She received the title of docent in cell metabolism in 2016 from the University of Eastern Finland.

Oikari's CV and list of publications are enclosed with the agenda item as Annexes.

No trial lecture will be required.

**Motion**      The Faculty Council will discuss the proposal.

### **A proposal on the person to be appointed as Clinical Lecturer, Surgery: Hearing of the Faculty Council**

According to the University Regulations of the University of Eastern Finland, Head of the department or school will make a proposal to the Dean on persons to be appointed to permanent posts of the four-stage career model of teaching and research staff after hearing the Faculty Council.

A call for applications was organised for the post of Clinical Lecturer (Surgery) by the Institute of Clinical Medicine of the University of Eastern Finland's School of Medicine.

One applicant submitted their application to the post by the deadline: MD Ville Happonen.

A person to be appointed as Clinical Lecturer shall hold a suitable doctoral degree. For a special reason, a person who has completed a specialist degree in medicine or dentistry, or a person who has the right to act as a specialist in medicine or dentistry may be appointed as a Clinical Lecturer. Furthermore, a person to be appointed as Clinical Lecturer shall have good teaching skills (section 31 of the UEF University Regulations).

## Agenda

### **Granting the title of docent in Artificial Intelligence in Biomedicine to PhD Luca Cattelani**

PhD Luca Cattelani has proposed that he be awarded the title of docent in the field of Artificial Intelligence in Biomedicine at the Faculty of Health Sciences of the University of Eastern Finland. The applicant's CV and list of publications are enclosed with the agenda item as Annexes.

The Docent Committee of the Faculty of Health Sciences stated at its meeting that the docentship is purposeful from the perspective of teaching and research activities. The Dean of the Faculty of Health Sciences has invited Professor Harri Lähdesmäki (Aalto University) and Professor Juho Rousu (Aalto University) as experts.

Professor Lähdesmäki submitted his statement on 16 June 2025 and Professor Rousu on 31 March 2025. Both experts consider the applicant to be scientifically qualified for the docentship they are applying for and are in favour of awarding the title of docent. The statements of the experts are enclosed with this agenda item as Annexes.

In accordance with section 89 of the Universities Act (558/2009), the university may award the title of docent upon application to a person who has comprehensive knowledge of his or her own field, a capacity for

### **Granting the title of docent in Cancer Biology and Clinical Oncology to MD Tuula Klaavuniemi**

MD Tuula Klaavuniemi has proposed that she be awarded the title of docent in the field of Cancer Biology and Clinical Oncology at the Faculty of Health Sciences of the University of Eastern Finland. The applicant's CV and list of publications are enclosed with the agenda item as Annexes.

The Docent Committee of the Faculty of Health Sciences stated at its meeting that the docentship is purposeful from the perspective of teaching and research activities. The Dean of the Faculty of Health Sciences has invited Professor Panu Jaakkola (University of Turku) and Docent Olli Tenhunen (OYS, Fimea) as experts.

Professor Jaakkola submitted his statement on 5 June 2025 and Docent Tenhunen on 7 July 2025. Both experts consider the applicant to be scientifically qualified for the docentship they are applying for and are in favour of awarding the title of docent. The statements of the experts are enclosed with this agenda item as Annexes.

In accordance with section 89 of the Universities Act (558/2009), the university may award the title of docent upon application to a person who

### Grading MSc Oscar Liu's doctoral dissertation

According to section 9 of the University Regulations of the University of Eastern Finland (1 January 2024), the Faculty Council grades doctoral dissertations. According to Section 14 of the standing rules of the Faculty of Health Sciences on degrees and studies, doctoral dissertations are graded on the scale fail – pass – pass with distinction. Passing with distinction requires that two of the three examiners (preliminary examiners and opponent) propose this grade.

MSc Oscar Liu's doctoral dissertation and study "[Hypoxia-Mediated Regulation of Transcription and Epigenetics in Cardiovascular Tissues and Cells](#)" was examined publicly on 5 August 2025. The opponent, Professor Peppi Karppinen (University of Oulu) is in favour of the dissertation being approved as a thesis for a doctoral degree in Philosophy and proposes the grade Pass. Both preliminary examiners, Professor Lauri Eklund (University of Oulu) and Academy Research Fellow Emma Raitoharju (University of Tampere) are in favour of the dissertation being approved as a thesis for a doctoral degree in Philosophy and propose the grade Pass.

According to section 44 of the Universities Act (24.7.2009/558), before a doctoral dissertation is graded, the author must be given an opportunity

## Agenda

Faculty Council of the Faculty of Health Sciences

Meeting No 7/2025

Meeting date 21 August 2025

41 (45)

to submit his or her response to the preliminary examiner's, the examiner's or the opponent's statement. The doctoral candidate has no comments on the statements. The statements of the preliminary examiners and the opponent are enclosed with this agenda item as annexes.

According to section 29 of the Universities Act (24.7.2009/558), a study attainment may be assessed only by those members or deputy members of a multi-member administrative body who have a degree or completed study attainments of an equivalent level or who have been appointed professors.

**Motion** Based on the statements, the Faculty Council grades MSc Oscar Liu's doctoral dissertation as Pass.
